## Meeting with local Community Gardaí from the Bridewell

June, 2024

Dear Resident,

I'm aware of concerns about incidents in the community that have been going on for some time. On foot of that I have arranged a meeting between local Gardaí and residents to discuss these issues and what needs to happen to improve people's sense of safety in the local community.

Residents are invited to a meeting with the local community Gardaí on

**Monday 1<sup>st</sup> July at 8:30pm**  
**Aughrim Street Scouts Hall**

I hope you will attend.

If there are any other issues that you wish to raise with me, local or national, please contact me at the details below.

Yours Sincerely,

*Marie*
